

LHBS Recruitment – Fundraising Officer

LHBS currently have vacancies for support staff. As a charity, this service rely heavily on public donations for it to continue.

We are seeking an enthusiastic person who can spend some time each week to raise much needed funds for this charity. You will be an important team member liaising with the Trustee's and local businesses/groups promoting LHBS and the services we provide in order to open a gateway for these businesses to support LHBS.

This position is ideally suited for a person wishing to gain experience in the Not-for-profit/charity sector.

Radio Broadgreen broadcast to patients at Liverpool Heart & Chest NHS Trust and Royal Liverpool & Broadgreen University NHS Trust based at the Broadgreen site.

All LHBS members are volunteers. Currently there are no membership or training fees applied. With this in mind, we are looking for applicants who wish to be long-term members of this charity.

RECRUITMENT PROCESS:

1. Fill in the application form on this website and include the post you are applying for.
2. The application form will be sent to info@radiobroadgreen.com
3. You should receive an email notification within seven days – check your spam email folder.
4. If accepted, you will be asked to attend an informal meeting at the studios.

PLEASE NOTE: We are looking for people who can relate to our core audience and that can also support this charity long term. We cannot accept applications for work experience. Full studio and H&S training is mandatory. This post may be required to Trust application processes including DBS checks. Terms apply. LHBS/Radio Broadgreen reserve the right to refuse any application.

CLOSING DATE: 3rd November 2025
